

Session 9 – January 11, 2015 – Ultimate Hope

Introduction

Today, our time is short because of the Church Conference at the beginning of the time tonight, so we will cut short any opening remarks to get into the 42 minute DVD quickly. In this session, Bryant lays out the reasons for our Hope...Glorious Hope...Ultimate Hope. He will speak of his time recently in the Middle East and make application so we can see plainly this “Hope” in what is to come.

There are many verses tonight to be discussed, and I wanted to give them to you in written form so you did not have to write them down. They are essential to our better understanding of this wonderful time to come. He will review several of them in detail but you will need to look the others up and read them to get a fuller picture of what the Word of the Lord already says about this time to come.
